Spin to Win @ the Budget Terminal

Travellers passing through Singapore's Budget Terminal are invited to participate in a game, "Wheel of Winnings", for their chance to win Tiger Airways air tickets to any destination. The game is open to all travellers, with no pre-requisites for passengers to participate.

To participate in the "Wheel of Winnings" game, travellers can simply proceed to the game area at the Departure Hall. Travellers spin a giant game wheel three times to strike the lucky combinations for the various prizes. The game is held daily from 9.30am to 10.30pm from now till 14 July 2007. Since the game show started on 15 June 2007, it has attracted over 6,000 participants and prizes worth up to S\$30,000 have been won, including two pairs of air tickets won by an Australian and an Indonesian traveller each.

In addition, to enhance the travellers' shopping experience, passengers can also participate in the "Take Off As A Winner" shopping promotion to win monthly prizes such as game consoles (Sony's Playstation 3), vacation packages, digital cameras, handphones (Nokia E90 Communicator) and luxury watches (Emporio Armani). Passengers who spend S\$60 (or S\$30 with VISA) at any two retail or Food & Beverage outlets in the Departure Hall will qualify for the lucky draw. The shopping promotion will end on 31 August 2007.

The "Wheel of Winnings" game and "Take Off As A Winner" shopping promotion are organised by the Civil Aviation Authority of Singapore to create a fun, vibrant and memorable experience for all travellers using the Budget Terminal. Previous games held at the Budget Terminal include the "Flight-of-Fantasy" game held in conjunction with the terminal's first year anniversary in March this year.
