Air Supply Meets Travellers at Changi Airport

Travellers were in for a treat when soft rock duo, Air Supply, dropped by for an exclusive Meet-and-Greet session at Singapore Changi Airport. Air Supply is in town for their "From The Heart - Tour 2008". They had a succession of hits in the 1970s and 1980s, including evergreen favourites like 'Lost in Love', 'All Out of Love', 'The One That You Love' and 'Even The Nights Are Better'.

The talented duo posed for photographs and interacted with passengers at Terminal 3's Departure / Transit Mall during the Meet-and-Greet session. Air Supply also participated in a question-and-answer segment with the audience.

This rare opportunity to catch Air Supply in-person was made possible by the Civil Aviation Authority of Singapore (CAAS) and Changi Airport's Meet-and-Greet sessions with famous personalities. Previous celebrity sessions featured Jay Chou, Bollywood superstars such as Shah Rukh Khan and Amitabh Bachchan, top golfer Lorena Ochoa, author and educational consultant, Tony Buzan and cast from hit TV series Heroes.
