About ViaSingapore: ViaSingapore.com is an online portal that offers some of the best airfares through Singapore. The portal enables users to compare the best deals available for flights into and out of Singapore, including fares on both full service carriers and low cost carriers, as well as book the selected flights. It also allows travellers to tap on Singapore Changi Airport's extensive connectivity to use Singapore as a starting point or a base to explore the Asia Pacific region. Besides air fares, users can find information on accommodation, tour packages and upcoming events on ViaSingapore.

Note: ¹Winners pay only taxes and surcharges.
