

Let's do lunch again at Changi Airport!

SINGAPORE, 6 April 2010 – Wondering what to have for lunch, again? In between a hard day's work, treat yourself to a well-deserved sumptuous lunch of incredible value! Until 27 May 2010, Changi Airport may well be the hottest lunch venue around - not just for meeters and greeters and passengers, but also for those who live or work near the airport. As part of Changi's 'Let's Do Lunch' promotion for 2010, a significant number of food and beverage establishments at the public areas of Changi's main terminals are offering enticing set lunch menus on weekdays¹ at an attractive flat rate of just \$10.

Each of 22 participating food and beverage outlets located across Terminals 1, 2 and 3 will offer its own unique and delectable \$10 weekday lunch menu that can satisfy the heartiest of appetites. Customers will be spoilt for choice from a wide range of cuisines offered by outlets including Ananda Bhavan, Brecks Café, Crystal Jade, Coffee Club, Earle Swenson's, Fish & Co., Lerk Thai, Sakae Sushi, Seoul Garden Hot Pot, and The Pasta Shop. (Please refer to the Annex for the full list of participating outlets).

What's more, Changi Airport Group (CAG) is making it easy and worthwhile for the lunch-time crowd to enjoy the promotion, which is applicable on weekdays. Those who work at the Changi Business Park can simply hop onto the complimentary shuttle bus service that plies between the industrial park and Changi Airport from 12 noon to 2.00pm. Those who drive enjoy free parking at the airport for the first hour, with a minimum spend of \$30 in a single receipt at participating food and beverage outlets.

¹ Mondays to Fridays, excluding public holidays

To top it off, patrons will be able to enjoy a free 30-minute Face Spa at Terminal 3's Body Contours for every set meal purchased, with a minimum of two sets registered in a single receipt.

This is the second time CAG is organising 'Let's Do Lunch'. The first promotion held from August to October last year saw overwhelming response from both airport visitors and concessionaires.

Changi Airport is a mini food paradise on its own, with a total of about 110 food & beverage establishments located across its four terminals. Visitors to Changi can choose from a wide range of international cuisines including authentic Singapore delights, Chinese, Thai, Japanese, Korean and Indian food, and diverse dining concepts from full service restaurants, cafes and bistros, bars and lounges, to fast food outlets and food courts.
